

Pinegrove - Aphasia

Tom: Gb

Abm Db Gb B
So satisfied i said a lot of things tonight
Abm Db Gb B
So long aphasia and the ways it kept me hiding
Abm Db Gb B
It's not so much exactly all the words i used
Abm Db Gb B
It's more that i was somehow down to let them loose

Abm Db Gb B
So complicated i cant wait to get explaining
Abm Db Gb B
Your listening distended out since i've been crying
Abm Db Gb B
So long aphasia and the ways it kept me hidden
Abm Db Gb B
So long to silent nerves and hesitant oblivion

(Ebm)

Abm Db Gb B
You came and sent me out unfurling in the street
Abm Db Gb B
And i felt unprecedented confidence in speaking

Abm Db Gb B Bbm Abm
Stick around im thinking things'll be alright
B Db Gb B
Newly delivered wont you live with me tonight

Abm Db Gb B
Something tonight was such a letdown on my pride
Abm Db Gb B

It takes a part of me i don't got to take some things in stride

Abm Db Gb B
I'd pace around the place so quiet in myself
Abm Db Gb B
Id wake the next and see my silence went unfelt

Abm Db Gb B
Just when i thought i had this pattern sorted out
Abm Db Gb B
Apparently my ventricles are full of doubt now

Gb Db Gb B Bbm
Nah things go wrong sometimes don't let it freak you out
Abm Db Gb B
But if i don't have you by me then i'll go underground
Abm Db Gb
Nah but what you've got was in your reaches all along
Abm Db Ebm Db Gb
Plus one day you'll be reaching for me and i'll be gone
Abm Bbm Gb B
To help remind myself i wrote this little song

B Gb Ebm
One day i won't need your love
Gb B Gb Ebm Abm
One day i won't define myself by the one i'm thinkin of
B Gb Abm
And if one day i won't need it
B Gb B Db Gb B
One day you won't need it

(Abm Db Gb B) (x2)
(Ebm Db)
