

Pinegrove - Problems

tom:

B

E

This is how I spend my life up

Gb

Singing old songs

E

What if I waste my life up?

B

And all my problems

Gb

It's so stupid

E

They're not even problems

B

It was supposed to snow

Gb

And it did for a minute

E

But there's no distraction now

B

Or we could spend these years up

Gb

On the phone

E

But is that much better?

B

It was supposed to snow

Gb

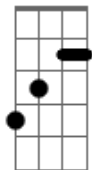

But it didn't

E

So there's no excuses now
