

Pink And Dallas Green - You And Me

Tom: E

(com acordes na forma de Capotraste na 4ª casa C)

You and me
 Were always with each other
 Before we knew
 The other was ever there
 You and me
 We belong together
 Just like a breath needs the air
 I told you if you called
 I would come runnin'
 Across the highs
 The lows
 And the in between
 You and me
 We've got two minds
 That think as one
 And our hearts march to
 The same beat
 Refrão:
 They say everything
 It happens for a reason
 You can be flawed enough
 But perfect for a person
 Someone who will be there
 For you when you fall apart
 Guiding your direction

When you're riding
 Through the dark
 Oh that's you and me
 You and me
 We're searchin'
 For the same light
 Desperate for a cure
 To this disease
 Well some days
 Are better than others
 But I fear no thing
 As long as you're with me
 Refrão:
 They say everything
 It happens for a reason
 You can be flawed enough
 But perfect for a person
 Someone who will be there
 For you when you fall apart
 Guiding your direction
 When you're riding
 Through the dark
 Oh that's you and me
 Oh that's you and me
 Oh that's you and me
 That's you and me
 That's you and me
