Breathe, breathe in the air
Don't be afraid to care
Leave, but don't leave me
Look around and chose your own ground
For long you live and high you fly
And smiles you'll give and tears you'll cry
And all you touch and all you see
Is all your life will ever be
Run, run rabbit run
Dig that hole, forget the sun
```

And when at last the work is done Don't sit down, it's time to start another one For long you live and high you fly But only if you ride the tide And balanced on the biggest wave You race toward an early grave. Continues with "On the run" and "Time" "Time" ends with the chords Dm... .F..... Dm [X X 0 2 3 1] F [1 3 3 2 1 1] and then directly to..... Α7 Fm Home, home again I like to be there when I can When I come in cold and tired It's good to warm my bones beside the fire Far away across the field The tolling of the iron bell Calls the faithful to their knees To hear the softly spoken magic spells.
