Pink Floyd - Breathe

```
                tom:
                A
         Em                      A
Breathe, breathe in the air
 Em               A
Don't be afraid to care
 Em                    A
Leave, but don't leave me
 Em                          A
Look around and choose your own ground

    C
For long you live and high you fly
    Bm
And smiles you'll give and tears you'll cry
    Am
And all you touch and all you see
   G                    F      Em
Is all your life will ever be

 Em          A
Run, rabbit run
 Em                        A
Dig that hole, forget the sun
 Em                           A
And when at last the work is done
 Em                                  A
Don't sit down, it's time to dig another one

    C
For long you live and high you fly
    Bm
But only if you ride the tide
    Am
And balanced on the biggest wave
    G               F          Em
You race towards an early grave
