Dbm

Overhead the albatross

Abm

Hangs motionless upon the air

Gbm

And deep beneath the rolling waves

Ab

In labyrinths of coral caves

Db

The echo of a distant time

Abm

Comes willowing across the sand

Gbm

Ab

And everything is green and submarine

C

And no-one showed us to the land

Ab

And no-one knows the wheres or whys

Gbm

But something stirs and something tries

Ab

A

And starts to climb towards the light

Dbm A Dbm A Dbm A E B C (base da ponte)

Ponte:

Dbm

Strangers passing in the street

Abm

By chance two separate glances meet

Gbm

Ab

And I am you and what I see is me

Dbm

And do I take you by the hand

Abm

And lead you through the land

Gbm

Ab

And help me understand the best I can

Db

And no-one calls us to move on

Ab

And no-one forces down our eyes

Gbm

And no-one speaks and no-one tries

Ab

A

And no-one flies around the sun

Dbm Abm

Cloudless everyday you fall upon my waking eyes

Gbm

Ab

Inviting and inciting me to rise

Dbm

And through the window in the wall

Abm

Come streaming in on sunlight wings

Gbm

Ab

A million bright ambassadors of morning

Db

And no-one sings me lullabies

Ab

And no-one makes me close my eyes

Gbm

So I throw the windows wide

Ab

A

And call to you across the sky
