(parte falada)
For millions of years mankind lived just like the animals
Then something happened which unleashed the power of our
imagination
We learned to talk

There's a silence surrounding me

Em
I can't seem to think straight

D
I'll sit in the corner

Am
No one can bother me

Em / (parte cantada por um coro de vozes)
I think I should speak now / Why won't you talk to me

Em
I can't seem to speak now / You never talk to me

Am
My words won't come out right / What are you thinking

Em
I feel like I'm drowning / What are you feeling

Em

I'm feeling good now / Why won't you talk to me

Em
But I can't show my weakness / You never talk to me

D
I sometimes wonder / What are you thinking

Am
Where do we go from here / What are you feeling

Em
