Solo Base (dura toda a música)

e repete

(parte falada)

For millions of years mankind lived just like the animals  
Then something happened which unleashed the power of our  
imagination  
We learned to talk

There's a **Em** silence surrounding me

I can't seem to think straight

I'll sit in the corner

No one can bother me

I think I should speak now / (parte cantada por um coro de vozes)

Why won't you talk to me

I can't seem to speak now / You never talk to me

My words won't come out right / What are you thinking

I feel like I'm drowning / What are you feeling

**Em**

I'm feeling good now / Why won't you talk to me

But I can't show my weakness / You never talk to me

I sometimes wonder / What are you thinking

Where do we go from here / What are you feeling

(parte falada)

It doesn't have to be like this

All we need to do is make sure we keep talking

(solo) **Em D Am Em Am Em**

**Em D Am Em Am Em**

/ Why won't you talk to me

I feel like I'm drowning / You never talk to me

You know I can't breathe now / What are you thinking

We're going nowhere / What are you feeling

We're going nowhere / Why won't you talk to me

/ You never talk to me

/ What are you thinking

/ Where do we go from here

(parte falada)

It doesn't have to be like this

All we need to do is make sure we keep talking

(segue o solo base)
