

Pink Floyd - On the turning away

Tom: G

On the turning away
 From the pale and downtrodden
 And the words they say
 Which we won't understand
 "Don't accept that what's happening
 Is just a case of others' suffering
 Or you'll find that you're joining in
 The turning away"

It's a sin that somehow
 Light is changing to shadow
 And casting its shroud
 Over all we have known
 Unaware how the ranks have grown
 Driven on by a heart of stone
 We could find that we're all alone
 In the dream of the proud
 On the wings of the night
 As the daytime is slurring

Where the speechless unite In a silent accord

Using words you will find are strange
 And mesmerized as they light the flame
 Feel the new wind of change
 On the wings of the night

Solo (Em D C CD Em D Am C D Am C D Em)

No more turning away
 From the weak and the weary
 No more turning away From the coldness inside

Just a world that we all must share
 It's not enough just to stand and stare
 Is it only a dream that there'll be
 No more turning away?

Solo (Em Em7 Em Em D G)
 dive and return
