Em remember when you were young
You shone like the sun
Shine on you crazy diamond
Em Now there's a look in your eyes
Like black holes in the sky
Shine on you crazy diamond
D Eb Em You were caught in a crossfire of childhood and stardom
Em Blown on the steel breeze
C Come on you target for faraway laughter
G B Come on you stranger, you legend, you martyr and shine
(Em)
Eb You reached for the secret too soon
You cried for the moon
Shine on you crazy diamond
Em Threatened by shadows at night

And exposed in the light
Shine on you crazy diamond
D Eb Em Well you wore out your welcome with random precision
Em Rode on the steel breeze
C Come on you raver you see off vision
G B Come on you painter, you piper, you prisoner and shine
(Em)
Nobody knows where you are,
How near or how far.
Shine on you crazy diamond
Em Pile on many more layers
And i'll be joining you there.
Shine on you crazy diamond
D Eb Em And we'll bask in the shadow of yesterday's triumph,
Em Sail on the steel breeze.
C Come on you boy child, you winner and loser,
G B Come on you miner for truth and delusion, and shine
