

# Pink Floyd - Two suns in the sunset

Tom: D  
Intro: D A G A D

D G A  
In my rear view mirror the sun is going down,  
D G A D  
Sinking behind bridges in the road  
G A  
And I think of all the good things  
D A G  
That we have left undone  
D Em  
And I suffer premonitions,  
Bm  
Confirm suspicions,  
Em A D A G A  
Of the holocaust to come.

D  
The rusty wire that holds the cork  
G A  
That keeps the anger in,  
D  
Gives way  
G A D  
And suddenly it's day again.  
G A  
The sun is in the east  
D A G D  
Even though the day is done.  
Em  
Two suns in the sunset  
Bm  
HMMMMMMMMM  
Em A

Could be the human race is run.  
A D A G A D A G A D  
Bm A  
Like the moment when the brakes lock  
Bm  
And you slide towards the big truck  
G A D  
You stretch the frozen moments with your fear.  
Bm A  
And you'll never hear their voices,  
Bm  
And you'll never see their faces,  
G A D A  
You have no recourse to the law anymore.  
G A D A G A D  
D  
And as the windshield melts  
G A  
My tears evaporate,  
D G A D  
Leaving only charcoal to defend.  
G A D A G D  
Finally I understand the feelings of the few.  
Em  
Ashes and diamonds,  
Bm  
Foe and friend,  
Em A  
We were all equal in the end.  
D A G A D A G A
