## **Pink Floyd - Wearning The Inside Out**

```
Cm7 Eb7
From morning to night I stayed out of sight Bb7 F
Didn't recognize I'd become
Cm7 Eb7
No more than alive I'd barely survive
Bb7 F
In a word...overrun

Gm F
Won't hear a sound from my mouth
Gm F
I've spent too long on the inside out
Gm F
My skin is cold to the human touch
Gm F
This bleeding heart's not beating much

Cm7 Eb7
I murmured a vow of silence and now
Bb7 F
I don't even hear when I think aloud
Cm7 Eb7
Extinguished by light I turn on the night
Bb7 F
Wear its darkness with an empty smile

Fm
I'm creeping back to life
G G Ab
My nervous system all awry
```
