Batida da musica: este esquema deve ser usado nos versos e na introdução apenas

'cause there's a chill wind

blowing in my soul  
and I think I'm growing old

flash... the radies... wot's... uh the deal  
got to make it to the next meal  
try to keep up with the turning of the wheel  
mile after mile stone after stone  
you turn to speak but you're alone  
million miles from home  
you're on your own

repetir o primeiro refrão... "To let me in..."

SOL0: Durante o solo deve-se repetir 3 vezes a introdução

Intro: G A/7 F D Gaug Riff D7

Heaven sent the promised land  
looks alright from where I stand  
'cause I'm the man  
on the outside looking in  
waiting on the first step  
show me where the key is kept  
point me down the right line  
'cause it's time

To let me in from the cold  
turn my lead into gold

Fire bright by candle light  
with her by my side  
if she prefers we need never stir again  
someone sent the promised land  
well I grabbed it with both hands  
now I'm the man  
on the inside looking out  
Hear me shout come on in  
what's the news where you've been  
'cause there's no wind left in my soul  
and I've grown old
