

Pink Floyd - Wot's... uh the Deal

```
Tom: C
                                                                   'cause there's a chill wind
                                                                                G7
  ACORDES:
                                                                   blowing in my soul
                                                                                           D7
         (x05433)
                                                                   and I think I'm growing old

Am:
                                                                                   A/7
D:
        (xx0210)
                                                                   mile after mile stone after stone
                                                                   you turn to speak but you're alone
                                                                                    (Riff)
                                                                   million miles from home
Batida da musica: este esquema deve ser usado nos versos e na
introdução apenas
                                                                   you're on your own
                                                                   repetir o primeiro refrão... "To let me in..."
                                                                   SOLO: Durante o solo deve-se repetir 3 vezes a introdução
Intro: G A/7 F D Gaug Riff D7
                                                                   Fire bright by candle light
Heaven sent the promised land
                                                                  with her by my side
                                                                                    (Riff)
                                                                   Gaud
looks alright from where I stand
                                                                   if she prefers we need never stir again
                                                                                       A/7
'cause I'm the man
                                                                   someone sent the promised land
      (Riff)
on the outside looking in
                                                                   well I grabbed it with both hands
waiting on the first step
                                                                   now I'm the man
                                                                        (Riff)
                D
                                                                   on the inside looking out
show me where the key is kept
                (Riff)
point me down the right line
               D7
'cause it's time
                                                                   Hear me shout come on in
                                                                                              Fm
                                                                   what's the news where you've been
            G
                                                                                G
To let me in from the cold
                                                                   'cause there's no wind left in my soul
         C Em Am
                                                                              D7 D
turn my lead into gold
                                                                   and I've grown old
