

# Pink - All Out Of Fight

tom:  
Eb (forma dos acordes no tom de F)

Afinação: D G C F A D

We had life in our eyes and the world was on our side  
Speeding along with no map, it was all great lights  
It was just you and I  
When something dies, doesn't mean that it's over  
We're not like them, we don't have to be cold as ice  
We could be you and I  
So take my hand for the last time  
And find my eyes with yours  
I'm all out of fight  
My heart will always know your name  
I'm all out of love  
But look at all the love we made  
I'm all out of life  
Oh, babe, it's killing me to say  
I'm all out of love, I'm all out of life  
I'm all out of fight  
We were two broken parts from the same old junkyard  
Battered out and bruised and we tried so goddamn hard  
To be you and I  
I'm proud of us, babe, 'cause we held through the pain  
And when everything hurt, we still ran through the rain in the  
Night  
That was you and I  
So come here close for the last time  
Put your heart on mine

Oh, I'm all out of fight  
My heart will always know your name  
I'm all out of love  
But look at all the love we made  
I'm all out of life  
Oh, babe, it's killing me to say  
I'm all out of love, I'm all out of life  
I'm all out of fight  
I never asked for easy  
But it shouldn't be this hard  
I'm all out of fight  
My heart will always know your name  
I'm all out of love  
But look at all the love we made  
I'm all out of life  
Oh, babe, it's killing me to say  
I'm all out of love, I'm all out of life  
I'm all out of fight, oh  
I'm all out of fight  
My heart will always know your name  
I'm all out of love  
But look at all the love we made  
I'm all out of life  
Oh, babe, it's killing me to say  
I'm all out of love, I'm all out of life  
I'm all out of fight  
I'm all out of fight
