

# Pink - Beautiful Trauma

Tom: G

<sup>C</sup>  
We were on fire <sup>D</sup>

I slashed your tires <sup>C</sup>

It's like we burned so bright, we burned out <sup>D</sup> <sup>C</sup>

I made you chase me <sup>D</sup>

I wasn't that friendly <sup>C</sup>

My love, my drug, we're fucked up, oh <sup>D</sup> <sup>C</sup> <sup>D</sup>

<sup>G</sup>  
'Cause I've been on the run so long, they can't find me <sup>Gb</sup>

You waken up to remember I'm pretty <sup>C</sup>

And when the chemicals leave my body <sup>D</sup>

Yeah, they're gonna find me in a hotel lobby <sup>C</sup>  
'Cause <sup>G</sup>

Times they keep coming, all night <sup>Gb</sup>

Laughing and fucking <sup>C</sup>

Some days like I'm barely breathing <sup>D</sup>

After we were high on the love <sup>G</sup>

Don't doubt it was you <sup>Bm</sup>

The pill I keep taking <sup>C</sup>

The nightmare I'm waking <sup>D</sup>

There's nothing, no nothing, nothing but you <sup>G</sup> <sup>Bm</sup>

My perfect rock bottom <sup>C</sup>

My beautiful trauma <sup>D</sup>

My love, my love, my drug, oh <sup>G</sup>

<sup>G</sup> <sup>Gb</sup>  
My love, my love, my love, my drug, oh <sup>D</sup>

<sup>C</sup>  
My love, my love, my love, my drug, oh <sup>G</sup>

<sup>G</sup> <sup>Gb</sup>  
My love, my love, my love, my drug, oh <sup>D</sup>

<sup>C</sup> <sup>D</sup> <sup>G</sup>  
My love, my love, my drug, we're fucked up

<sup>D</sup> <sup>C</sup>  
You punched a hole in the wall and I framed it <sup>D</sup> <sup>C</sup>

I wish I could feel things like you <sup>G</sup> <sup>D</sup> <sup>C</sup>

Everyone's chasing that holy feeling <sup>G</sup> <sup>D</sup> <sup>C</sup>

And if we don't stay lit we'll blow out <sup>D</sup>

Blow out <sup>G</sup>

'Cause we've been on the run so long they can't find us

<sup>Gb</sup>  
Who's gonna have to die to remind us <sup>C</sup>

That it feels like we chose this blindly <sup>D</sup>

Now I'm gonna fuck up a hotel lobby <sup>G</sup>  
'Cause <sup>Bm</sup>

Times they keep coming, last night <sup>Bm</sup>

I might've messed it up again <sup>C</sup>

Some days like I'm barely breathing <sup>D</sup>

After we were high on the love <sup>G</sup>

Don't doubt it was you <sup>Bm</sup>

The pill I keep taking <sup>C</sup>

The nightmare I'm waking <sup>D</sup>

There's nothing, no nothing, nothing but you <sup>G</sup>

My perfect rock bottom <sup>Bm</sup>

My beautiful trauma <sup>C</sup>

My love (my love), my love, my drug, oh <sup>D</sup>

<sup>G</sup> <sup>Gb</sup>  
My love, my love, my love, my drug, oh <sup>C</sup>

<sup>D</sup>  
My love, my love, my love, my drug, oh <sup>G</sup>

<sup>G</sup> <sup>Gb</sup>  
My love, my love, my love, my drug, oh <sup>C</sup>

<sup>C</sup> <sup>D</sup> <sup>G</sup>  
My love, my love, my drug, we're fucked up

<sup>D</sup>  
Hands up <sup>G</sup>

Times they keep coming, all night <sup>G</sup>

Laughing and fucking <sup>C</sup>

Some days like I'm barely breathing <sup>D</sup>

After we were high on the love <sup>G</sup>

Don't doubt it was you <sup>Bm</sup>

The pill I keep taking <sup>C</sup>

The nightmare I'm waking <sup>D</sup>

There's nothing, no nothing, nothing but you <sup>Bm</sup>

My perfect rock bottom <sup>C</sup>

My beautiful trauma <sup>D</sup>

My love, my love, my drug, oh
