

# Pink - Beautiful Trauma

Tom: G

<sup>C</sup> We were on fire <sup>D</sup>  
<sup>C</sup> I slashed your tires  
<sup>D</sup> It's like we burned so bright, we burned out <sup>C</sup>  
<sup>D</sup> I made you chase me  
<sup>C</sup> I wasn't that friendly  
<sup>D</sup> My love, my drug, we're fucked up, oh <sup>C</sup> <sup>D</sup>

<sup>G</sup> 'Cause I've been on the run so long, they can't find me  
<sup>Gb</sup> You waken up to remember I'm pretty  
<sup>C</sup> And when the chemicals leave my body  
<sup>D</sup> Yeah, they're gonna find me in a hotel lobby  
<sup>C</sup> 'Cause  
<sup>G</sup> Times they keep coming, all night <sup>Gb</sup>  
<sup>Gb</sup> Laughing and fucking  
<sup>C</sup> Some days like I'm barely breathing  
<sup>D</sup> After we were high on the love  
<sup>G</sup> Don't doubt it was you

<sup>Bm</sup> The pill I keep taking  
<sup>C</sup> The nightmare I'm waking  
<sup>D</sup> There's nothing, no nothing, nothing but you  
<sup>G</sup> My perfect rock bottom  
<sup>Bm</sup> My beautiful trauma  
<sup>D</sup> My love, my love, my drug, oh <sup>G</sup>

<sup>G</sup> My love, my love, my love, my drug, oh <sup>Gb</sup>  
<sup>C</sup> My love, my love, my love, my drug, oh <sup>D</sup>  
<sup>G</sup> My love, my love, my love, my drug, oh <sup>Gb</sup>  
<sup>C</sup> My love, my love, my drug, we're fucked up <sup>D</sup> <sup>G</sup>

<sup>D</sup> You punched a hole in the wall and I framed it <sup>C</sup>  
<sup>G</sup> I wish I could feel things like you <sup>D</sup> <sup>C</sup>  
<sup>G</sup> Everyone's chasing that holy feeling <sup>D</sup> <sup>C</sup>  
<sup>G</sup> And if we don't stay lit we'll blow out <sup>D</sup> <sup>C</sup>  
<sup>D</sup> Blow out  
<sup>G</sup> 'Cause we've been on the run so long they can't find us

<sup>Gb</sup> Who's gonna have to die to remind us  
<sup>C</sup> That it feels like we chose this blindly  
<sup>D</sup> Now I'm gonna fuck up a hotel lobby  
<sup>C</sup> 'Cause  
<sup>G</sup> Times they keep coming, last night <sup>Bm</sup>  
<sup>Bm</sup> I might've messed it up again  
<sup>C</sup> Some days like I'm barely breathing  
<sup>D</sup> After we were high on the love  
<sup>G</sup> Don't doubt it was you

<sup>Bm</sup> The pill I keep taking  
<sup>C</sup> The nightmare I'm waking  
<sup>D</sup> There's nothing, no nothing, nothing but you <sup>G</sup>  
<sup>Bm</sup> My perfect rock bottom  
<sup>C</sup> My beautiful trauma  
<sup>D</sup> My love (my love), my love, my drug, oh

<sup>G</sup> My love, my love, my love, my drug, oh <sup>Gb</sup>  
<sup>C</sup> My love, my love, my love, my drug, oh <sup>D</sup>  
<sup>G</sup> My love, my love, my love, my drug, oh <sup>Gb</sup>  
<sup>C</sup> My love, my love, my drug, we're fucked up <sup>D</sup> <sup>G</sup>

<sup>D</sup> Hands up  
<sup>G</sup> Times they keep coming, all night  
<sup>G</sup> Laughing and fucking  
<sup>C</sup> Some days like I'm barely breathing  
<sup>D</sup> After we were high on the love  
<sup>G</sup> Don't doubt it was you

<sup>Bm</sup> The pill I keep taking  
<sup>C</sup> The nightmare I'm waking  
<sup>D</sup> There's nothing, no nothing, nothing but you <sup>G</sup>  
<sup>Bm</sup> My perfect rock bottom  
<sup>C</sup> My beautiful trauma  
<sup>D</sup> My love, my love, my drug, oh
