

Pink - For Now

Tom: E
 Remember that time we were just kickin'
 But nothing had changed, nothing was really different
 Then love showed its teeth
 Like it's something vicious
 No, no, no, let me finish
 Ain't it something when it all goes tragic
 How a spell can get casted onto something magic
 What I wouldn't give to get back to where we had it
 Oh, it should've lasted
 Now it's like I lied
 When I said I didn't need you
 Alright, if you'd left, I'd never be
 Tonight can we just get it right
 Somehow, for now

Freeze frame, pause, rewind, stop
 And get back to the older familiar thoughts
 Can we just freeze frame, pause, rewind, stop
 And get back to the feelings
 We think we lost?
 For now
 Oh, I'm so goddamn mean
 'cause I, I, I say and I do things
 That I shouldn't sometimes
 My mouth gets me in trouble all the time
 But now it's like I lied
 When I said I didn't need you
 I'd die, if you'd left, I'd never be
 Alright, can we just get it right somehow
 For now

Freeze frame, pause, rewind, stop
 And get back to the older familiar thoughts
 Can we just freeze frame, pause, rewind, stop
 And get back to the feelings
 We think we lost?
 For now
 For now
 Can we just freeze frame, pause, rewind, stop
 And get back to the feelings
 We think we lost?
 For now
 Remember that time we were just kickin'
 But nothing had changed, nothing was really different
 Then love showed its teeth
 Like it's something vicious
 No, no, no, let me finish
 For now
 Freeze frame, pause, rewind, stop
 Freeze frame, pause, rewind, stop
 And get back to the older familiar thoughts
 Can we just freeze frame, pause, rewind, stop
 Can we just freeze frame, pause, rewind, stop
 And get back to the feelings
 We think we lost?
 (We lost)
 For now
 For now
 Can we just freeze frame, pause, rewind, stop
 And get back to the feelings
 We think we lost?
 For now
 For now
 Can we just freeze frame, pause, rewind, stop
 Get back to the feelings
 We think we lost?
 For now
