

# Pink - Happy

Tom: E  
Intro: E B Abm Gb  
E B Abm Gb

Since I was 17  
I've always hated my body

And it feels like my body's hated me  
Can somebody find me a pill  
To make me un-afraid of me?

[Pré Refrão]

Seen every therapist, but I'm a cynical bitch  
Don't like to talk about my feelings  
I take another hit, I find another fake fix  
'Cause it's easier than healing

[Refrão]

I don't wanna be this way forever  
Keep telling myself that I'll get better  
Every time I try, I always stop me  
Maybe I'm just scared to be happy

( E B Abm Fm )

Since I was 22  
I've been with somebody who loves me  
And I've been tryna believe it's true  
But my head always messes up my heart  
No matter what I do

[Pré Refrão]

Seen every therapist, but I'm a cynical bitch

Don't like to talk about my feelings  
I take another hit, I find another fake fix  
'Cause it's easier than healing

[Refrão]

I don't wanna be this way forever  
Keep telling myself that I'll get better  
Every time I try, I always stop me  
Maybe I'm just scared to be happy  
I don't wanna be this way forever  
Keep telling myself that I'll get better  
Every time I try, I always stop me  
Maybe I'm just scared to be happy

Maybe I'm just scared to be happy  
Maybe I'm just scared to be happy

I'm so scared of having something to lose  
I'm scared of being somebody new  
I'm so scared of all them seeing the truth  
'Cause right now I've got nothing

[Refrão]

But I don't wanna be this way forever  
Keep telling myself that I'll get better  
Every time I try, I always stop me  
Maybe I'm just scared to be happy

[Pós Refrão]

Maybe I'm just scared to be happy (Maybe, yeah)  
Maybe I'm just scared to be happy
