Chords: Gbm - D - A - E  
Nothing high class in my glass  
Only bottles of pop  
My bottles are popped so when I pop up in the spot  
Im probably not gonna be wanting to pop bubbly or Ciroc  
I'm not Puffy but I'ma run this city tonight  
When I hit it, I might act like a frickin' idiot  
Diddy mixed with a medieval knight, big city lights  
Little indignity, hot diggity  
This Biggie is gettin' me hype  
I don't get some liquor, I'll hurt you  
I'll knock your d-ck in the dirt, bickerin' worse  
Than that b-tch in that Snickers commercial  
A mixture of Stiffler and Urkel  
Hangin' from the light fixture  
I hope you pricks are insured for this building  
Cuz we're tearin' it down, security get out  
The frickin' way, Jesus Christ the blaring is loud  
I swear the only thing I hear is the sound  
Of sirens going eeeeeh cause....

Gbm D  
Here comes The Weekend

Set off your sirens oh oh
