This song is dead simple to play, i've tabbed it with the guitar flat but it doesn't have to be. Just crank up the distortion and have fun.

Here we go, don't ya know  
We're the ones that make it crazy  
This ain't time to get lazy  
Meetin' at 11 in the hotel lobby  
Same faces, different places  
Never knowin' where we going now  
Someday I'm gonna die but it  
Won't be from boredom  
If you've got the skills the I suggest  
That you throw down  
Meet us at the spot 'cause it's  
Gonna be a showdown  
Naw, you can't ride the bus  
Man you better cool down
