

Pink - I'm Not Dead

Yeah yeah yeah yeah

There's all these cracks

Crack of sunlight

Crack in the mirror on your lips

It's the moment of a sunset Friday

When our conversations twist

It's the fifth day of ice on a new tattoo

But the ice should be on our heads

We only spun the wheel to catch ourselves

So we weren't left for death

And I was never looking for approval from anyone but you

And though this journey is over I'll go back if you ask me to

I'm not dead just floating

Right between the ink of your tattoo

In the belly of the beast we turned into

I'm not scared just changing

Right beyond the cigarette and the devilish smile

You're my crack of sunlight

You can do the math a thousand ways but you can't erase the facts

Riff 3:

That others come and others go but you always come back

I'm a winter flower underground always thirsty for summer rain

Riff 4:

And just like the change of seasons

I know you'll be back again

I'm not dead just floating

Underneath the ink of my tattoo

I've tried to hide my scars from you

I'm not scared just changing

Right beyond the cigarette and the devilish smile

You're my crack of sunlight oh

I'm not dead just yet

I'm not dead I'm just floating

Doesn't matter where I'm going

I'll find you

I'm not scared at all

Underneath the cuts and bruises

Finally gained what no one loses

I'll find you

I will find you

I'm not dead just floating

I'm not scared just changing

You're my crack of sunlight yeah
