

Pink - Is This Thing On?

Tom: A

Got your voicemail, can you call me at the hotel?
 There's something that's weighing heavy on my heart
 and heavy on my chest
 In the long night, you're the morning
 I annoy you, and you bore me

And it's hard enough to make it through a world that's already a mess

Break

All in good time, we'll be just fine
 Either way we need to be happy

Chorus:

Tell me, is this thing on?
 How do we keep this new?
 How do I keep you into me,
 into me without faking it too
 What do we have to try,
 When everything is to lose?
 Cause it always is just me and you
 but it's the hardest thing,
 the hardest thing to do

Verse 2

And I want you, to want me, like the first time you saw me
 I know in ten years I'm betting my head is still young and dumb
 It would be so hard to let go and replace you, I still love you

I just wanna find the thing that made me think this was the one

Break

All in good time, we'll be just fine
 Either way we need to be happy

Chorus:

Tell me, is this thing on?
 How do we keep this new?
 How do I keep you into me,
 into me without faking it too
 What do we have to try,
 When everything is to lose?
 Cause it always is just me and you
 but it's the hardest thing,
 the hardest thing to do

its the hardest thing,
 the hardest thing to do

Chorus (x2)

Tell me, is this thing on?
 How do we keep this new?
 How do I keep you into me,
 into me without faking it too
 What do we have to try,
 When everything is to lose?
 Cause it always is just me and you
 but it's the hardest thing,
 the hardest thing to do
