A G A G A G A G  
 I might be the way, Everybody likes to say. I know watcha  
 thinking about me.  
 A G A G A G  
 There might be a day, you might have a certain way. But you  
 don't have my luxuries.  
 A G A G  
 And it's me I know I know my name cause I say it proud.  
 A G A G A  
 Everything I want I always do. Looking for the right track,

always on the wrong track,  
 G A G A  
 But are you catching all these tracks that I'm laying down for  
 you?  
 G A G  
 There's a song I was listening to, up all night,  
 A G A G  
 There's a voice I am hearing saying It's alright .  
 A G A G  
 When I'm happy I am sad, but everything is good,  
 A G A G  
 It's not that complicated, I'm just misunderstood.
