

# Pink - The Great Escape

Tom: Bb  
Intro: Bb Gm (4x)

Bb Gm Bb Gm  
I can understand how when the edges are rough  
And they cut you like the tiniest slivers of glass  
And you feel too much  
And you don't know how long you're gonna last  
But everyone you know is tryin' smooth it over  
Find a way to make the hurt go away  
But everyone you know is tryin' smooth it over  
Like you're trying to scream under water

Eb Bb F Eb  
But I won't let you make the great escape  
I'm never gonna watch you checkin' out of this place  
I'm not gonna lose you  
Cause the passion and the pain  
Are gonna keep you alive someday  
Gonna keep you alive someday  
(Bb Gm) (2x)

Bb Gm Bb Gm  
I feel like I could wave my fist in front of your face  
And you wouldn't flinch or even feel a thing  
And you've retreated to your silent corner  
Like you decided the fight was over for ya  
But everyone you know is tryin' smooth it over

Find a way to make the hurt go away  
But everyone you know is tryin' smooth it over  
Everyone needs a floor they can fall through  
But I won't let you make the great escape  
I'm never gonna watch you checkin' out of this place  
I'm not gonna lose you  
Cause the passion and the pain  
Are gonna keep you alive someday  
Gonna keep you alive someday  
(Bb Gm) (4x)

Bb Gm Bb Gm  
I'm terrified of the dark but not if you go with me  
And I won't need a pill to make me numb  
And I wrote the book on runnin'  
But that chapter of my life will soon be done  
I'm the king of the great escape  
You're not gonna watch me checkin' out of this place  
You're not gonna lose me  
Cause the passion and pain  
Are gonna keep us alive someday  
Yeah, the passion and the pain  
Are gonna keep us alive someday  
Someday
