tom:
 Capostraste na 1ª casa ^{Ab} (forma dos acordes no tom de ^G)

^D
 Trust fall, baby

^G
 It's a trust fall, baby

^D ^{Em}
 Picture a place where it all doesn't hurt
 Where everything's safe and it doesn't get worse, oh my

^C
 We see through bloodshot eyes

^G
 Picture a place somewhere else far away

^{Em}
 Where you know what they mean and they mean what they say to us

^C
 And would that be enough?

^G ^D
 Are we running out of time?

^{Em}
 Are we hiding from a lie?

^C
 Are we just too scared to fight

For what we want tonight?

^G ^D
 Close your eyes and leave it all behind

Go where love is on our side

^{Em}
 It's a trust fall, baby

^C
 It's a trust fall, baby

^G ^D
 You and I and everyone alive

We can run into the fire

^{Em}
 It's a trust fall, baby

^C ^G
 Yeah, it's a trust fall, baby

Jump with me, come with me, burn like the Sun

^{Em}
 We'll talk, then we'll cry and we'll laugh till we're done, oh my

^C
 It's like we're out our minds

^G ^D
 We've been running for our lives

^{Em}
 We've been hiding from the light

^C
 We've been far too scared to fight

For what we want tonight

^G ^D
 Close your eyes and leave it all behind

Go where love is on our side

^{Em}
 It's a trust fall, baby

^C
 It's a trust fall, baby

^G ^D
 You and I and everyone alive

We can run into the fire

^{Em}
 It's a trust fall, baby

^C
 Yeah, it's a trust fall, baby

^D
 What if we just fall?

^{Em}
 I'm not going without you

^D
 And you're not going alone

^C
 I fell so far till I found you

^D
 But you know what you know when you know

^{Em}
 So I'm not going without you

^D
 And you're not going alone

^C
 'Cause you know when you know

^G ^D
 Close your eyes and leave it all behind

Go where love is on our side

^{Em}
 It's a trust fall, baby

^C
 It's a trust fall, baby

^G
 What if we just fall?
