

# Pink - Unwind

Tom: E

E B Gb  
I hide my pain like the rest of them  
E B Gb  
That's why I'm always laughing  
E B Gb  
I'm troubled, I'm brilliant and miserable too  
E B Gb  
That's why I am so funny  
E B Gb  
I swallow down all my fears  
E B Gb  
With a bottle made of silver  
E B Gb  
I've only been here for 27 years  
E B Gb  
But already my life is over

E B Gb  
And I need to unwind, yes and I  
E B Gb  
Need to unwind, yes and I  
E B Gb  
Want all the time  
E B Gb  
To be loved, to unwind

E B Gb E B Gb  
My life is like a fairytale that nobody believes in  
E B Gb  
I can't remember anything  
E B Gb  
Not the people, not the places that I've been  
E B Gb  
'Just one more day, you can make it, babe'  
E B Gb  
That's what I tell myself  
E B Gb  
And everything that I love in life  
E B Gb  
It's killing me cause it's bad for my health

E B Gb  
And I need to unwind, yes and I  
E B Gb  
Need to unwind, yes and I
