

Pink - Who Knew

Tom: A

(intro 4x)

(verse 1)

You took my hand You showed me how

You promised me you'd be around

Uh huh That's right

I took your words And I believed

In everything You said to me

Yeah huh That's right

(refrão)

If someone said three years from now

You'd be long gone

I'd stand up and punch them out

Cause they're all wrong

I know better Cause you said forever

And ever

Who knew

(verse 2)

Remember when we were such fools

And so convinced and just too cool

Oh no No no

I wish I could touch you again

I wish I could still call you friend

I'd give anything

(refrão)

When someone said count your blessings now

'fore they're long gone

I guess I just didn't know how

I was all wrong

They knew better Still you said forever

And ever

Who knew

Yeah yeah

(ponte)

I'll keep you locked in my head

Until we meet again

Until we meet again

And I won't forget you my friend

What happened

If someone said three years from now

You'd be long gone

I'd stand up and punch them out

Cause they're all wrong and

That last kiss I'll cherish Until we meet again

And time makes it harder I wish I could remember

But I keep Your memory You visit me in my sleep

My darling Who knew

My darling, my darling

Who knew, my darling

I miss you, my darling

Who knew, who knew

Acordes
