

PinkPantheress - Just For Me

tom:

Intro: C Am C

[Primeira Parte]

I found the street of the house in which you stay
 And my diary's full of your name on every page
 'Cause I read somewhere you'll fall in love with me
 I'll try and try again one day, you'll see
 Your hair's under my pillow so I sleep
 And I'm dreaming of you leaving roses at my feet

[Refrão]

I'm obsessed with you in a way I can't believe
 When you wipe your tears do you wipe them just for me? (Me, me, me, me)
 Do you wipe them just for me? (Me, me, me, me)
 I'm pleading on my knees (Knees, knees, knees, knees)
 It's your touch that I need (Need, need, need, need)

I followed you today, I was in my car
 I wanted to come and see you from afar
 If you turned around and saw me I would die
 I'd pretend I was a person driving by
 Wrote you a song, do you wanna hear it now?
 Don't bring your friends along to form a crowd
 'Cause I need to prove I wrote it just for you
 What's the need for them when it could be just us two? (Two, two, two, two)
 [Refrão]
