

# Pip Millett - Make Me Cry

tom:

Em  
Fuck you and your lies  
D  
And your last goodbyes  
Am  
You're a victim in your own game  
C  
Stick it to mister no-name

Em  
Pity, anger  
D  
Guess I don't hold the answer  
Am C  
I can take my own weight, same yesterday  
Em  
And it goes round and around

D  
Round and around  
Am  
A vicious circle how can it be  
C  
That this feeling's got a hold of me?

Em  
I'm fine  
D  
This is the last time  
Am  
Be free  
C  
Someone took these chains off of me

Em  
And I  
G  
Should be happy on my own  
Am  
And I  
C  
Don't want to make you feel at home

Em  
'Cause I know that when I'm lonely  
G  
You'll be by my side  
Am  
But it's only when I'm lonely  
C  
That you seem to make me cry

Em  
I'm numb, lonely  
D  
Thought I was the only one  
Am  
It's hard to find the right words

C  
Knowing that they'll all hurt

Em  
In sync with the sunset  
D  
Down and I am out for the night  
Am  
Surrounded by the darkness  
C  
Trying to find the light

Em  
And it fluctuates  
D  
I'm infatuated with my fate  
Am  
In the depth of my sadness  
C  
I can't wait to reach that high

Em  
I'm fine  
D  
This is the last time  
Am  
Be free  
C  
Someone took these chains off of me

Em  
'Cause I  
G  
Should be happy on my own  
Am  
And I  
C  
Don't want to make you feel at home

Em  
'Cause I know that when I'm lonely  
G  
You'll be by my side  
Am  
But it's only when I'm lonely  
C  
That you seem to make me cry  
( Em G )

Am  
But it's only when I'm lonely  
C  
That you seem to make me cry  
( Em G )

Am  
But it's only when I'm lonely  
C  
That you seem to make me cry
