

Pip Millett - Make Me Cry

tom:
 Em
 Fuck you and your lies
 D
 And your last goodbyes
 Am
 You're a victim in your own game
 C
 Stick it to mister no-name
 Em
 Pity, anger
 D
 Guess I don't hold the answer
 Am C
 I can take my own weight, same yesterday
 Em
 And it goes round and around
 D
 Round and around
 Am
 A vicious circle how can it be
 C
 That this feeling's got a hold of me?
 Em
 I'm fine
 D
 This is the last time
 Am
 Be free
 C
 Someone took these chains off of me
 Em
 And I
 G
 Should be happy on my own
 Am
 And I
 C
 Don't want to make you feel at home
 Em
 'Cause I know that when I'm lonely
 G
 You'll be by my side
 Am
 But it's only when I'm lonely
 C
 That you seem to make me cry
 Em
 I'm numb, lonely
 D
 Thought I was the only one
 Am
 It's hard to find the right words

C
 Knowing that they'll all hurt
 Em
 In sync with the sunset
 D
 Down and I am out for the night
 Am
 Surrounded by the darkness
 C
 Trying to find the light
 Em
 And it fluctuates
 D
 I'm infatuated with my fate
 Am
 In the depth of my sadness
 C
 I can't wait to reach that high
 Em
 I'm fine
 D
 This is the last time
 Am
 Be free
 C
 Someone took these chains off of me
 Em
 'Cause I
 G
 Should be happy on my own
 Am
 And I
 C
 Don't want to make you feel at home
 Em
 'Cause I know that when I'm lonely
 G
 You'll be by my side
 Am
 But it's only when I'm lonely
 C
 That you seem to make me cry
 (Em G)
 Am
 But it's only when I'm lonely
 C
 That you seem to make me cry
 (Em G)
 Am
 But it's only when I'm lonely
 C
 That you seem to make me cry
