

# Pique Novo - SUPRA SUMO DO AMOR

Tom: Bb

Peço perdão eu não quis foi sem querer o que fiz, não tive tal pretensão

De emudecer teu olhar e sem querer magoar o teu frágil coração

Só não posso te esquecer pois você e a luz, que me conduz a onde for

Se me quiser perdoar com prazer vou te levar ao supra sumo do amor

Só não posso te esquecer pois você e a luz, que me conduz a

onde for

Se me quiser perdoar com prazer vou te levar ao supra sumo do amor

Ta me dando um calafrio, de pensar na solidão

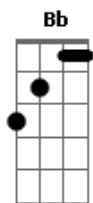

Esse amor é um desafio, aos limites da paixão

E na fria madrugada, chega pra me dominar

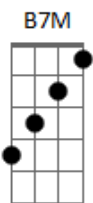

Vem a lua iluminada, que ameniza o meu sonhar
