

# Pitty - Bizarre Love Triangle

Tom: C

( F G Em F )

Every time I think of you  
 I get a shot right through into a bolt of blue  
 It's no problem of mine but it's a problem I find  
 Living a life that I can't leave behind  
 There's no sense in telling me  
 The wisdom of a fool won't set you free  
 But that's the way that it goes  
 And it's what nobody knows

And every day my confusion grows

( F G Em F )

Every time I see you falling  
 I get down on my knees and pray  
 Waiting for that final moment  
 You say the words that I can't say

( F G Em F )

Every time I see you falling  
 I get down on my knees and pray  
 Waiting for that final moment  
 You say the words that I can't say
