

Pitty - Bizarre Love Triangle

Tom: C

(F G Em F)

Every time I think of you
 I get a shot right through into a bolt of blue
 It's no problem of mine but it's a problem I find
 Living a life that I can't leave behind
 There's no sense in telling me
 The wisdom of a fool won't set you free
 But that's the way that it goes
 And it's what nobody knows

And every day my confusion grows

(F G Em F)

Every time I see you falling
 I get down on my knees and pray
 Waiting for that final moment
 You say the words that I can't say

(F G Em F)

Every time I see you falling
 I get down on my knees and pray
 Waiting for that final moment
 You say the words that I can't say
