

Pitty - Femme Fatale

Tom: G

Here she comes
 You better watch your step
 She's going to break your heart in two
 It's not hard to realize
 Just look into her false colored eyes
 She'll build you up to just put you down
 ((Chorus))
 Cause everybody knows
 (she's a femme fatale)
 The things she does to please

(she's a femme fatale)
 She's just a little tease
 (she's a femme fatale)
 See the way she walks
 Hear the way she talks
 Your're put down in her book
 Your're number 37, have a look
 She's going to smile to make you frown
 Little boy, she's from the street
 Before you start, you're already beat
 She's gonna play you for a fool, yes it's true
 (Chorus) 2 X
