

Pitú - Àqueles Dias de Calor

Tom: B

m [Intro] Bm7 Gb7

Bm7 Gbm7

Embarca antes quem antes chegou

Bm7 Gbm7

Antes do filho e do pai, o avô

Em7 Gb7

Espera um menino pra continuar

Bm7 Gbm7

Outra estrada que mal começou

Bm7 Gbm7

Cuidar da semente até virar flor

Em7 Gb7

Abre os ouvidos, aprende a escutar

Em7 Gb7 Bm7

A vida, como o fogo e como rio

G Em7

Morre acontecendo

Db7 Gb7

Passa e nem se viu

Bm7 Gbm7

A mesma cama onde sempre deitou

Bm7 Gbm7

Naquele tempo em que era senhor

Em7 Gb7

De todo onde se quisesse andar

Bm7 Gbm7

E da varanda alguém acenou

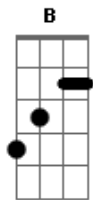

Bm7 Gbm7

Adeus àqueles dias de calor

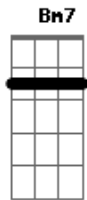

Em7 Gb7

Tanta saudade daquele lugar
