

Pixie Lott - When You Were My Man

Tom: A

m
Same bed but it feels just
A little bit bigger now
Our song on the radio
But it don't sound the same
When our friends talk about you
All it does is just take me down
'Cause my heart breaks a little
When I hear your name
It all just sounds like, oooooh
Too young, too dumb to realize
That you should've bought me flowers
And held my hand
Should gave me all your hours
When you had the chance
Take me to every party
'Cause all I wanted to do was dance
Now baby I'm dancing
But I'm dancing with another man
Your pride, your ego, your needs and your selfish ways
'Cause a nice young love like me to walk out your life
Now we'll never never get to clean up the mess we made
And it haunts just a little when I close my eyes
It all just sounds like, oooooh

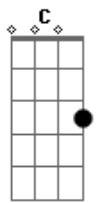

Too young, too dumb to realize

That you should've bought me flowers
And held my hand
Should gave me all your hours
When you had the chance
Take me to every party
'Cause all I wanted to do was dance
Now baby I'm dancing
But I'm dancing with another man
I know it hurts
I'll be the first to say
we were wrong
Oh, and you know you're probably much too late
To trying apologize for the mistakes
And I just want you to know
He buys me flowers
He holds my hand
He gives me all his hours
When he has the chance
He takes me to every party
'Cause he remembers how i love to dance
He does all the things you should've done
When you were my man
He does all the things you should've done
When you were my man
