

Pixies - Gouge Away

Tom: E

Ab B E
Gouge away
You can gouge away
Stay all day
If you want to
(Ab B E Ab E Ab)
Missy aggravation
Some sacred questions
You stroke my locks
Some marijuana
If you got some

Ab B E
Gouge away
You can gouge away
Stay all day
If you want to
(Ab B E Ab E Ab)
Sleeping on your belly

You break my arms
You spoon my eyes
Been rubbing a bad charm
With holy fingers

Ab B E
Gouge away
You can gouge away
Stay all day
If you want to

(Ab B E Ab E Ab)
Chained to the pillars
A 3-day party
I break the walls
And kill us all
With holy fingers

Ab B E
Gouge away
You can gouge away
Stay all day
If you want to
