the day since I met her
 i can't believe it's true
 she came here from memphis
 across the ocean

sailing and i saw her and i pleaded
 why do you come so far and she said

Dbm E
 trying to get to you
 Dbm E
 how i tried to get to you
 Dbm E
 trying to get to you

[Rhythm Figure 2]

i'm sending a letter
 i'll send it right to you
 i'll send it to memphis
 i know that someday

everything i needed and i wanted
 used to be that in my head was haunted

[with Rhythm Figure 1]
 and all these sirens they make me mad
 and all this violence it brings me down
 i feel strong
 i feel lucky

trying to get to you
 said i'm going to get to you
 trying to get to you
