

Pixies - Make Believe

Tom: Gb

From: (Jason Clinton Hamlett)

The solos are not included and you'll have to listen to the song to get the timing down. A great song, with David Lovering on vocals.

Intro: bass guitar (2x then use fill)
(fill)

VERSE 1 (continue main riff)

I've been lost
Since she's gone.
The piano she's
Nearly on.

I don't want you to, marry me.

And make believe, you're Debbie Jean.

VERSE 2 (continue main riff with fill 2 third time)

I look down on
who you are.
She is light with a voice
and a shape that's like guitar.

I don't want you to, marry me.

And make believe, you're Debbie Jean.

And make believe, you're Debbie Jean
