

Pixies - The Thing

tom:

Intro: Eb Cm Ab Cm Bb

I was driving doing nothing
 On the shores of Great Salt Lake
 When they put it on the air
 I put it in the hammer lane
 I soon forgot myself
 And I forgot about the brake
 I forgot about all laws
 And I forgot about the rain
 They were talking on the 9
 And all across the amy band
 Across the road they were turning around
 And headed south with me
 It got so crowded on the road
 I started driving in the sand

My head was feeling scared
 But my heart was feeling free
 The desert turned to mud
 It seems that everybody heard
 Everybody was remembering
 To forget they had the chills
 Then I heard the voices on a broadcast
 From up on the bird
 They were getting interviewed
 By some Goodman whose name was Bill
 I'm almost there to Vegas
 Where they're puttin' on a show
 They've come so far
 I've lived this long
 At least
 I must just go and say hello
