# Pixies - Tonys Theme

Tom: D

    Tony's Theme

Rythym Guitar is in chords and is clean, lead guitar is in tablature and uses distortion.
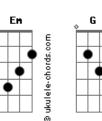

Lead Guitar plays this during the beginning and the chorus(TO-NY)

```
          Em            G           A      Em        A
She put the oil in the chain for a ride today, no boloney
Em     G        A     Em       A
Ride around on my bicycle like a pony
Em     G      A    Em   A
I'm wavin hi hi hi hi hi
Em     G              A
Ggggimme the speed
                Em      A
Gimme gimme the beat
Oh Tony
```
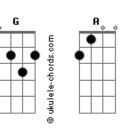

Chorus
TO-NY TO-NY TO-NY TO-NY
```
       Em     G      A      Em
I can talk to my bicycle tire
       A
I'm racin',
            Em       G       A          Em
Speed by, turn and pop a wheelie and burn
           A
People chasin'
```

```
      Em      G      A      Em
I'm wavin' bye bye bye bye bye
             A          Em
I got a card in my spokes
            A         Em
I'm practicin' my jokes
           A
I'm learnin'
```

Chorus
TO-NY TO-NY TO-NY TO-NY

```
 D                      G           A
This is a song about a superhero named Tony
It's called: Tony's Theme
```

Lead Guitar Solo(Be quick, or it doesn't sound right, especially with the hammer ons.)

Be very fast and accurate in this part. I watched Joey do this.

(You can figure out the chords from here. They haven't changed.)
I can get by this sort
If you give me some pass
Some glasses on the back of the road
He was even dressed like a toad
That's what class is
