

# Pixies - Vamos

Tom: **C**

Rhythm guitar

ad lib on above throughout entire song except for chorus which goes :

**Bm** That maid Maria she is really OK **G**

**E** **G** **A** **B**  
Vamos a jurgar por la playa

Lead guitar

Chorus

then **F7**

keep notes bent to pitch of fifteenth until playing open notes.

The whole solo section is based on making a almighty noise with open strings (no chords). Use feedback, wagging the toggle switch, quickly turning the volume knob on the guitar up and down and scratching the strings with your pick or a

slide or anything, right from the bridge up to the nut. Make it up as you go along and have fun.

Lyrics :

Esta pensando sobre viviendo con mi sister en New Jersey  
Echo me dijo que es una vida buena  
Enrique bien chevere

We'll keep well bred  
We'll stay well fed  
We'll have our sons  
They will be all well hung

They'll come and play  
Their friends will say  
Your daddy's rich  
Your mamma's a pretty thing

That maid Maria she is really OK

Vamos a jurgar por la playa

I keep gettin' friends  
Looking like lesbiens  
If we get bored  
We'll move to California

They'll come and play  
Their friends will say  
Your daddy's rich  
Your mamma's a pretty thing

That maid Maria she is really OK

Vamos a jurgar por la playa
