

PJ Harvey - You Said Something

tom:

And you said something

Intro: 1st guitar: ^C

Instrumental Part:

2nd guitar: (in the last part of the intro)

1st guitar:

3th guitar: G Am G

^F ^C ^G
 On a rooftop in Brooklyn
^F ^C ^G
 One in the morning
^F ^C ^G
 Watching the lights flash
^F ^C ^G
 In Manhattan
^C ^D ^C
 I see five bridges
^C ^D ^C
 The empire state building
^F ^C ^G
 And you said something
^F ^C ^G
 That I've never forgotten
^F ^C ^G
 We lean against railings
^F ^C ^G
 Describing the colours
^F ^C ^G
 And the smells of our homelands
^F ^C ^G
 Acting like lovers
^C ^D ^C
 How did we get here?
^C ^D ^C
 To this point of living?
^F ^C ^G
 I held my breath
^F ^C ^G

^F ^C ^G
 And I am doing nothing wrong
^F ^C ^G
 Riding in your car
^F ^C ^G
 Your radio playing
^F ^C ^G
 We sing up to the eighth floor
^C ^D ^C
 A rooftop, in Manhattan
^C ^D ^C
 One in the morning
^F ^C ^G
 When you said something
^F ^C ^G
 That I've never forgotten
^F ^C ^G
 When you said something
^F ^C ^G
 That was really important

I think that the 1st guitar isn't a guitar. It sound like a Organ with a kind of rare effect.

ramy

Acordes
