

Tom: Eb

## Placebo - Devil in the Detais

Intro: C C Cm Primeiro Verse: I've been wasting all my time With the devil in the details I got no energy to fight He is a fucking pal of mine That devil in the details and he's fixing up to take a bite I don't see the point in try I've got the devil in the details He's gonna teach me wrong from right That fucking pal of mine The devil in the details I'm gonna dance with him tonight Refrão: All of my wrongs, no more wicked ways Will come back to haunt me, come with me Bb For all of the songs i hope to write someday Looks like the devil is here to stay Verso 2: Let me take you for a ride

With the devil in the details We'll kiss and tremble with the light Everything is fine With the devil in the details We're gonna dance with Him tonight Refrão: All of my wrongs, no more wicked ways Will come back to haunt me, come with me For all of the songs i hope to write someday Looks like the devil is here to stay Ponte: Looks like the devil is here to stay Looks like the devil is here to stay Ah All of my wrongs, no more wicked ways Will come back to haunt me, come with me For all of the songs i hope to write someday Looks like the devil is here to stay Outro: Looks like the devil is here to stay Looks like the devil is here to stay I've been wasting all my time With the devil in the details
