

Placebo - Happy You're Gone

Tom: C

Breathe me every time you close your eyes
 Taste me every time you cry
 This memory will fade away and die
 Just for today, breathe me and say goodbye

How many times? How many times?
 Now I can't look you in the eye
 Now I can't look you in the eye
 How many times? How many times?
 Now I can't look you in the eye

See me, in the eyes of another's child
 Turn away, when you see me walking by
 Once in a while
 This melody will fade away and die

Just for today, breathe me and say goodbye

How many times? How many times?
 Now I can't look you in the eye
 Now I can't look you in the eye
 How many times? How many times?
 Now I can't look you in the eye

And I don't even want to try
 My my, My my
 'Cause every word from you is a lie
 My my, My my

How many times? How many times?
 Now I can't look you in the eye
 Now I can't look you in the eye
 How many times? How many times?
 Now I can't look you in the eye
