## Placebo - I Know

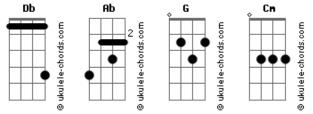

Tom: Db

[Os mesmos acordes durante toda a música]

- Ab G
- $\mathsf{Cm}$ I know You love the song but not the singer
- I know You`ve got me wrapped around your finger
- I know You want the sin without the sinner
- I know, I know

I know The past will catch you up as you run faster I know The last in line is always called a bastard I know The past will catch you up as you run faster

## Acordes

I know You cut me loose in contradiction I know I`m all wrapped up in sweet attrition I know It's asking for your benediction I know, I know I know The past will catch you up as you run faster I know The last in line is always called a bastard I know The past will catch you up as you run faster I know, I know I know The past will catch you up as you run faster I know The last in line is always called a bastard I know The past will catch you up as you run faster I know, I know

I know, I know
