

Placebo - Infra-Red

Tom: F

Dm
 One last thing before I shuffle off the planet
 I will be the one to make you crawl
C Dm
 so I came down to wish you an unhappy birthday
C Bb
 someone call the ambulance that's gonna be an accident
F Gm
 I'm coming up on infra-red,
Bb
 there is no running that can hide you
F
 cause I can see in the dark
F Gm
 I'm coming up on infra-red,
Bb
 forget your running, I will find you
Dm

One more thing before we start the final face off
 I will be the one to watch you fall
C Dm
 so I came down crash and burn your beggars banquet
C Bb
 someone call the ambulance that's gonna be an accident
F Gm
 I'm coming up on infra-red,
Bb
 there is no running that can hide you
F
 cause I can see in the dark
F Gm
 I'm coming up on infra-red,
Bb
 forget your running, I will find you
 (I will find you!)
