

Placebo - Like Siamese

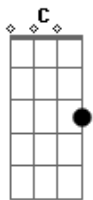

Tom: C

D Dm

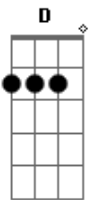

Hang breathless on me, hang breathless on me
The war will soon be over so hang breathless on me

We'll walk slow through the empty and we'll do as we please
We'll crawl body to body just like siamese
Like siamese
It's cold down by the water and there's blood on the trees
We'll flow shoulder to shoulder jst like siamese
Like siamese
