

# Placebo - Pierrot The Clown

Tom: A

**A**  
 Leave me dreaming on the bed,  
**Gbm E**  
 See you right back here tomorrow, for the next round  
**A**  
 Keep that scene inside your head  
**Gbm**  
 As the bruises turn to yellow  
**E**  
 Swelling goes down  
**D**  
 And if you're ever around  
**Gbm E**  
 In the city or the suburbs of this town  
**D**  
 Be sure to come around  
**Gbm**  
 I'll be wallowing in sorrow  
**E D**  
 Wearing a frown, like pierrot the clown...

**A**  
 Saw you crashing around the bay  
**Gbm**  
 Never seen you act so shallow  
**E**  
 Or look so... brown  
**A**  
 Remember all the things you'd say  
**Gbm**  
 How your promises went hollow  
**E**  
 As you threw me to the ground  
**D**  
 And if you're ever around  
**Gbm E**  
 In the backstreets or the alleys of this town  
**D**  
 Be sure to come around  
**Gbm**  
 Ill be wallowing in pity  
**E D**

Wearing a frown, like pierrot the clown...

**A**  
 When I dream  
**Gbm E**  
 I dream of your lips  
**A**  
 When I dream  
**Gbm E**  
 I dream of your kiss  
**A**  
 When I dream  
**Gbm E**  
 I dream Of your fists  
**D**  
 Your fists... your fists...  
**A**  
 Leave me dreaming on the bed,  
**Gbm E**  
 See you right back here tomorrow, for the next round  
**A**  
 Keep that scene inside your head  
**Gbm**  
 As the bruises turn to yellow  
**E**  
 Swelling goes down  
**D**  
 And if you're ever around  
**Gbm E**  
 In the city or the suburbs of this town  
**D**  
 Be sure to come around  
**Gbm**  
 I'll be wallowing in sorrow  
**E D**  
 Wearing a frown, like pierrot the clown...  
 Like pierrot the clown...  
 Like pierrot the clown...  
 Like pierrot the clown...
